DEAR HR,

I have extensive knowledge of Front end and Back end technologies. Combined with my communication and problem- solving skills, I think I would be an excellent candidate for the Intern role at PWC.

In my current role as a full stack developer trainee at Orange Coding Academy, I design, code, and implement websites in a variety of fields like e-commerce, and CRM systems either solo or in groups.

Through working collaboratively with my colleagues in different teams, I have developed strong communication and teamwork skills. I can bring my technical skills and passion for collaboration to your Company team.

Thank you for taking the time to review my qualifications. I look forward to sharing more about my skills and experiences. Feel free to contact me by phone number or E-mail

Sincerely,

Rania Taha
