RANIA TAHA

FULL STACK WEB DEVELOPER

rania.taha105@gmail.com | +962797984747 | www.linkedin.com/in/taha-rania

Work Experience

Trainee at Orange Coding Academy (Full Stack Web Developer) *June 2023 - Present*

- Completing a total of 1000+ hours in hands-on full-stack web development projects.
- successfully completing 10 individual and team-based assignments. I applied agile methodologies to implement new features and improve functionalities.
- I've deepened my expertise in contemporary Front-end (HTML, CSS, JavaScript) and Back-end (PHP, SQL, Laravel, WordPress) technologies, showcasing a talent for mastering their complexities.
- I've designed visually engaging, user-friendly interfaces, customized with Bootstrap for consistency and responsiveness. JavaScript was employed to add interactivity and dynamism to the user experience.

Quality Assurance Officer (Chemical Engineer) at Darb Alkenanah Factory *Sep 2021 - Sep 2022*

- Documenting and reporting product or service quality levels.
- Developing and implementing standards for inspection.
